the program takes place**

- Presentation of final projects - September 17
- Debriefing - **September 18** - **save the date**
- Farewell cocktail - **September 18** - **save the date**

# What to keep in mind

1

## Double Degree with CENTRUM PUCP

Dual Degree students obtain their double degree by fulfilling both the requirements of CENTRUM PUCP and those of their university

2

## Timely start of the process

It is important to know if you are going to be opting for the CENTRUM degree to start the process soon

3

## CENTRUM Graduation fee

Remember that once you have completed all the requirements, you will need to pay a graduation fee.

# When you are outside of Centrum

- ✓ You need to have an international health and accident insurance - please make sure it covers your activities (e.g. skydiving).
- ✓ You can have us as your emergency contacts, but let us know beforehand, and also keep us informed where you are going.
- ✓ Share your photos and videos with us, we would love to share them in our Centrum social media!!

# Do you have any questions?

Please feel free to let us know about any pending issues
